Rose Parade Honors Donors

This year's Rose Parade had a special tie to the RFD. Retired Deputy Chief Oran Pentz's son, Brandon Pentz, died unexpectedly on Aug 20, 2010, after sustaining a traumatic brain injury. In their typical generous way, the Pentz family still found purpose in this tragedy when Brandon's organ donor status helped provide over 60 items (kidneys, liver, corneas, skin to recipients and heart to research). Since Brandon's death, Oran and Laura Pentz have honored Brandon by supporting the group Donate Life in various fundraising activities such as car shows. Brandon was honored on the Donate Life float in this year's Rose Parade. The Pentz Family was joined by several RFD family members at the parade: Anna Hauldren and retired Deputy Chief Mike Esparza and Battalion Chief Dave Campos.

There is a Donate Life Run/Walk at CSU Fullerton on April 25 8-10am. See flyer on the last page.

Firehouse World

Billy Milligan and a group of other firefighters from Riverside County, Hemet, Torrance, Los Angeles City, Austin Texas, San Diego City, Corona, and New York City Fire Departments taught the hands on training class called "RIC (Rapid Intervention Crew) Under Fire" at this year's Firehouse World Jan 25-27 in San Diego. The students were from around the country. We put the students to the test with multiple scenarios of firefighters down in fire conditions with entrapments, impalements, SCBA (self contained breathing apparatus) failures, collapsed structures, forcible entry objectives, and their job was to save their own. At the end of the day, the word around the training site was that everybody had a great time and learned a lot. Evals were great!
